

STREAM WATCH WORKSHOP

Sponsored by Pennsbury Land Trust

Healthy local streams are critical to a pure drinking water supply for ourselves and wildlife. Join this practical, hands-on workshop to learn how to access and monitor our streams using simple biological and chemical tests. Find out how you can be part of our Stream Watch team. Equipment, handouts, and refreshments provided. Suitable for adults and children ages 10 and up. Wear outdoor clothes and shoes that can get wet and muddy.

The workshop facilitator is Kathy Bergmann, Coordinator of the Brandywine Valley Association's Red Streams Blue Program dedicated to improving the water quality of the Brandywine Watershed.

When: Saturday, April 16, 2011; time: 9:30a.m.-12:30a.m.

Where: Meet at Pennsbury Township Municipal Building, 702 Baltimore Pike, Chadds Ford, 19317 for an introduction before carpooling to a nearby stream

Cost: **Free Pre registration is required. Registration deadline April 11**

To register: Call Pennsbury Land Trust at 610-388-7401 and leave your name, phone number, and the number of people you are registering.
Or email: info@pennsburylandtrust.org
